

ALDEANA BAWTINHEIMER

Aldeana operated her own studio, ALDEANAS ACROBATS, for nearly 30 years in the Surrey area. Recently, she has offered her services to local studios, who are interested in expanding their Acrobat programs.

Aldeana was trained at a young age in the specialized arts of Acrobats and Adagio. Aldeana enjoyed competition success at an early age, and has brought that successful attitude to her students. Her students have excelled at all levels of competition in Acrobats, Adagio and Fitness. Her Surrey troop, of 20 Acrobats, earned a reputation of having a fierce, highly competitive team spirit.

Her talented students and unique choreography have combined for many routines that have successfully competed in both local and international competitions, receiving many Honour Awards.

Aldeana now looks forward to continued challenges and successes with student's thru-out the Lower Mainland.
